Dear Chair DeLauro and Ranking Member Granger:

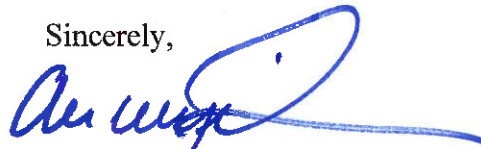

I am requesting funding for the York Beta Drive Industrial Park Expansion Project in FY 2023:

The entity to receive funding for this project is the City of North Royalton, located at 14600 State Road, North Royalton, Ohio 44133.

The funding would be used to extend utility and roadway infrastructure into an existing industrial zoned area, which will allow 150 acres to become accessible for full development. The project would be a valuable use of taxpayer funds because the current regional demand in Cuyahoga County for large tracts of industrially zoned land with quick access to I71 and freight transportation corridors are in demand.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony Gonzalez
Member of Congress
